Soldier and Sailor Portraits a Specialty Here!

Since Pearl Harbor, we have made dozens of portraits of the men and women who have left Ypsi for the armed services. It's always a pleasure to see our own boys and girls in their uniforms. We like to pose them, make several exposures, and the work can be finished in a rush if they are on a short leave!

Carver Center Trims Moose Lodge

Ford Local Wins; Contests in Recreation, Ford Fields

STANDINGS

Ford Local 849	1	1	.500
C.Y.O. Local 849	1	1	.500
C.Y.O.	0	2	.000

Two well played games marked the second evening of competition in the City Softball League as Carver Community Center trimmed Moose Lodge 5 to 2 and Ford Local 849 downed C.Y.O. 4 to 2 at Recreation Park and Ford Field Monday night.

Carver assumed undisputed possession of first place when they rallied with five runs in the fourth inning to overcome a two run Moose lead.

The Center combined five bases on balls, an error, and a double by rightfielder John Russell to score their winning run. While his mates were scoring a commanding lead, Carver's Clarence Selby of Carver was "limiting Moose to only four safeties."

The Lodgemen took a two run lead when they counted twice in the second frame on an error, a walk, and a single by Rover Murray Rhedon.

Norm Gilens, who started on the mound for Moose, was driven to the showers in the fourth inning upturning by Carver and was charged with all of the Center's scores. Ex-Marine Tony Alter, who relieved Gilens on the rubber, allowed three hits but kept them well scattered to keep the victors' scoreline in the last two frames.

Ford Victorious
After dropping last week's encounter, the Ford Local 849 came back Monday to win over C.Y.O. and went the better team into an uncontested possession of last place.

C.Y.O. opened the game by taking a lead when they counted once on Neil Schenck's hit in their first turn at bat. Ford overtook C.Y.O. in that frame when George Waterbury and Bill Marton came home on first baseman Conway Harper's triple.

The only home run of the newly opened season put Local 849 in the two run lead in the second inning when Rover John Selby hit for the circuit with the bases empty.

Hits by Dick Binder and Bernard Schlenker, accounted for C.Y.O.'s

second run which they scored in the fourth frame but Ford put the game on ice with their fourth marker in the sixth as catcher Al Jacobs drove Ray Turner across with a single.

Although C.Y.O. outbatted Ford & 4, hurler Son Wolf of the Generators team effectively scattered the C.Y.O.'s blows. The C.Y.O. pitcher, Schenck, had trouble locating the plate in the early innings and this along with two C.Y.O. misplays helped 849's scoring.

Students Caim Although Fire Burns in Club

Ann Arbor, Mich., June 6—More than 200 students calmly filed out the front door of the Club Wolverine Youth Center at 259 S. State St., then told that some rubbish had caught fire in a basement check room, according to sponsors of the club, who complimented them for showing no signs of panic.

The blaze was believed caused by spontaneous combustion since the room had not been accessible to students or others for some time. There was no damage to the building.

Three other fires were reported over the week end, but damage was minor. A Greyhound bus at Detroit and Division Sts. caught fire, but the blaze was put out with an extinguisher before any flames arrived.

A small fire in a closet in the home of Louis Lipnik, 1304 Grange Ave., was caused by a short circuit wire. An overcoat and a pair of trousers were damaged in the flames.

Cooking gas, leaking from a pipe at a vacant house at 245 Murray Ave., caught fire and the firemen were summoned but it caused no damage.
